

DRIVER DEVELOPMENT PROGRAM

The **NASCAR DRIVE FOR DIVERSITY DRIVER DEVELOPMENT PROGRAM** is an academy style training program designed to develop and train drivers both on and off the track. Top drivers from diverse backgrounds and experiences are provided with coaching, mentoring and development, bringing together championship caliber executives, competition staff and equipment while competing with Rev Racing in one or more developmental series including the ARCA Menards Series, NASCAR Advance Auto Parts Weekly Series and INEX Legend cars.

PIT CREW DEVELOPMENT PROGRAM

The **NASCAR DRIVE FOR DIVERSITY PIT CREW DEVELOPMENT PROGRAM** is a comprehensive training program for aspiring pit crew members from diverse backgrounds and experiences. The program focuses on instilling the fundamentals, discipline and confidence required to be a top athlete on a NASCAR pit crew while identifying, coaching and training student-athletes who possess the skill, ability and attitude to be successful in one of NASCAR's three national series.
